## Online Learning Parent Engagement Event

“King Henry VIII School Community will work together to create an inclusive, safe and happy learning environment in which all are challenged and supported to achieve their potential. Everyone is committed to learning today for a fulfilling life tomorrow.”

"At Croesyceiliog School, we strive to provide enriching and engaging learning opportunities, in and out of the classroom, to develop the skills, knowledge and attributes needed to lead successful lives. We learn together to become kind citizens that respect others and make positive choices. Our ambition is to ignite a passion for lifelong learning. "

Questions

# Aim of tonight's meeting

- ▶ Explain some of the research that underpins the process of blended and online learning across the two schools.
- ▶ Provide an overview of the main platforms being used across the two schools and give clarity about how to, access Hwb, Google Classroom and Teams.
- ▶ Explain the schools' rationale for the use of live and pre-recorded content.
- ▶ Further clarify channels of communication to obtain support and guidance.

To get us started

# How did we build our blended and online provision for students?

# Rapid Evidence assessment

Support teachers to provide high quality instruction

Teaching quality is more important than how lessons are delivered

Support students and teacher to know how to use the digital platforms and provide devices where needed

Ensuring access to technology is key, particularly for disadvantaged students

Create structures that allow students to interact with each other

Peer interactions can provide motivation and improve learning outcomes

Share strategies and explicitly teach pupils how to work on their own without outside help

Supporting pupils to work independently can improve learning outcomes

Different approaches to remote learning suit different types of content and students

Use a wide variety of strategies, live teaching, pre-recorded, resource based, flipped learning. Match the method to the content and student

# Expectations

- ▶ All students in year 7 - 11 must attend registration each morning
- ▶ All students should follow their daily timetable including breaks and lunch times
- ▶ Students should indicate their attendance by signing into the class stream if on Google Classroom or answering the register if on Microsoft Teams
- ▶ Students should attend all live lessons suitably dressed, background should be blurred if asked to put the camera on.
- ▶ All parents should have signed the acceptable use agreement to participate in live lessons

# Hwb Public pages

Anyone can access the public pages on Hwb, where key information can be accessed by parents including support with online learning

# Hwb for students and teachers

Every student in Wales has a username and password to access the resources on Hwb. A typical student page would have the following resources

 Office 365	 Outlook	 Google for Education	
 Adobe Spark	 Just2easy	 Flipgrid	
 Resources	 Britannica Digital Learning	 Playlists	
 Blended learning	 Personalised assessments	 Keeping safe online	 Support Centre
 User management	 My Hwb Dashboard	 Hwb Classes	 Assignments
 Zones	 Curriculum for Wales	 Curriculum for Wales 2008	

# Google Classroom

Google Classroom

- ▶ Accessed using Google Education through Hwb
- ▶ All subjects have their own Google Classrooms.
- ▶ The stream will show the 'activity' in the Google Classroom
- ▶ The Classwork tab shows the lesson resources
- ▶ Students can keep track of the due dates of assignments

Teacher uploads lesson resources to Google Classroom at the start of the timetabled lesson

Teacher may move to Teams for a live input session, or include a pre-recorded video

Students register for the lesson in the class comments, completes tasks and uploads to the Google Classroom

Each 100 min lesson will be split up and include independent learning.

# Microsoft Teams

Where are meetings scheduled?

- ▶ In line with Welsh government guidance all live streamed and video conferenced lessons will take place using Microsoft Teams.
- ▶ Live lessons will be used when, through consideration, it is considered the most appropriate way to deliver content.
- ▶ Live lessons will not be used if a better mode of delivery is available, such as, pre-recorded content, independent study or resource based learning.

How do I know if my child has a live lesson?

Do I need to give permission for my child to be in a live lesson?

Hands up / hands down

To mute your microphone, click on this symbol. When muted, it will display like this

Use the hands up  
feature to signal you  
wish to ask a  
question

Please remember  
Teams does not tell  
us your name or  
which school your  
children attend so  
please introduce  
yourselves

Put your hand down  
after you have asked  
your question then  
we can see clearly  
who wants to  
participate

Individual concerns  
should be directed to  
the relevant lead in the  
school, this will be on  
the next slide
